## **List of Physician groups at New York Community Hospital**

You are scheduled for or have been referred for services at your physician's office or in the hospital. In addition to the services provided by your physician, other health care providers may be required to perform services, such as anesthesiology, laboratory, radiology and assistant surgeon services, in connection with your care. These healthcare providers may or may not participate in your health plan.

Below is list of the physician groups that provide these services along with their mailing address and phone number. You should contact these groups directly to find out which health plans they participate in.

Physician Group	Contact Information
